

# Stream

Meet Stream from Virgin Media, a new flexible and seamless entertainment service that brings together all your favourite entertainment subscriptions, live channels and on-demand content under one roof - with an easy to use interface and the flexibility to change your subscriptions anytime.

## Choice

We think entertainment should be simple. So we've packed faves like Sky Sports, Netflix, Disney+ and BritBox, plus iPlayer, All 4 and much more into one clever little box – and put you in charge.

## Flexibility

With fuss-free 30 day rolling subscriptions you can add stuff in, swap stuff out and change it up every month, so you're never stuck paying for anything you don't fancy. It's as easy as turning them on or off – literally one tap and you're good to go.

## Value

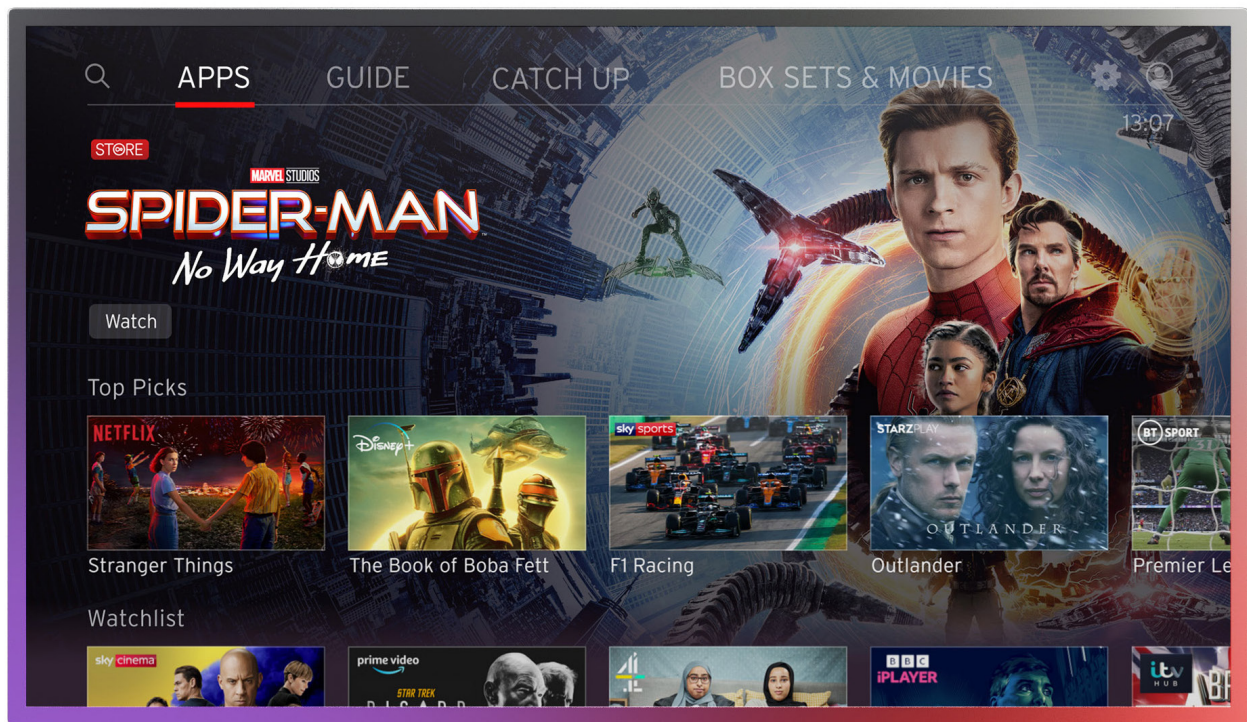

Get Stream at no additional monthly cost with our ultrafast broadband.

Stream Credit gives you 10% credit back on any subscription you add to Stream, so you can pocket a saving each month.

## Stream also cares for our planet

It's a lighter, greener product with the casing manufactured from 85% recycled material. Its tiny size also means less packaging and needs significantly less power to operate.

# Stream from

Stream brings you a seamless integrated experience, offering a wide range of entertainment you love.

## Personalisation

Stream provides you with personalised recommendations for what to watch so you won't have to spend ages looking.

## Voice Control

You can even use our super-clever Voice Search and Control to quickly dive into the latest and greatest shows and films.

## Watchlist

Found something you like? Stream allows you to build a watchlist of content you want to watch later.
