The O2 Belfast, bringing an iconic brand to Northern Ireland

| Consumer fixed-line customers | Consumer broadband connections | Total mobile connections | Contract mobile connections | Homes serviceable |
|---|---|---|---|---|
| **5.5m** | **5.4m** | **46.4m** | **24.4m** | **18.8m** |
| ( -29,900 in Q2) | (-28,200 in Q2) | (-17,800 in Q2) | (-29,200 in Q2) | |

> "Our performance in Q2 is in line with our full year guidance. It reflects the continued navigation of a highly-competitive market backdrop, a focus on execution and transformation in our three operating areas – consumer, B2B and wholesale – and a relentless commitment to improving customer experience and building strong foundations for future growth."
